Upcoming competition 'Capital Bhangra' gives university teams a platform

The UK's newest university bhangra team competition Capital Bhangra will take place at the Bloomsbury Theatre on Saturday 28th January, 2012, where three teams will battle it out for the inaugural winner's title and a prize of £500. Ticket holders will also see an exhibition performance from legendary team Jugnu Bhangra and will witness the first UK stage appearance of Canadian Youtube sensation Superwoman who is hosting the event.

Teams competing at Capital Bhangra 2012 are the University of Edinburgh, University of Greenwich & Medway bhangra team, and the combined team from University College London (UCL) and London School of Economics (LSE).

Capital Bhangra is being introduced by Naujawani.com - Sikh & Punjabi broadcaster on the internet. For the last three years, Naujawani.com has supported university student Punjabi societies and bhangra teams with resources, guidance and financial assistance, all the while encouraging students to have a greater understanding of The Punjab and its culture. This has also led to the launch of a dedicated internet discussion forum where enthusiasts, new dancers and keen fans share knowledge, reviews and team information (www.nachdapunjab.co.uk). Launching this competition was the logical next step.

Head of Naujawani.com, Harwinder Singh Mander said, "*Capital Bhangra is the 2nd university-only bhangra team competition in the UK and we are really proud to have taken the brave step to give students a platform on which to compete. We are really looking forward to seeing what the teams are going to bring to the stage, as we know they have been working incredibly hard since the autumn, if not before! It is satisfying to know that the dedication they have shown to this traditional dance form will be showcased in a competitive environment and on the big stage where it belongs.*" He continued, "*In an Olympic year, it is most apt for London to play host to a competitive dance form from the other side of the World and there are few better venues for us to have chosen than the Bloomsbury theatre. Our guest host, Youtube sensation Superwoman is sure to entertain the audience on her first appearance in the UK and alongside the legendary Jugnu bhangra group who will be performing as an exhibition team, the audience can expect to see a thrilling show.*"

Capital Bhangra will take place on Saturday 28 January, 2012 at the Bloomsbury Theatre in London, England. Tickets are on sale now exclusively from the Bloomsbury Box Office: <http://www.thebloomsbury.com/event/run/1666>
